Section 101. TITLE.

This Act shall be known as the Wyandotte Nation Sex Offender Registration and Notification Act of 2012 (“Act”).

Section 102. PURPOSE.

(a) Having elected to function as a registration jurisdiction on July 18, 2007 by Tribal Legislative resolution ONCR 07-12, the Wyandotte Nation bears the responsibility to implement Sex Offender registration and notification provisions and to assure compliance with the federal Sex Offender Registration and Notification Act of 2007 (Title I of Public Law 109-248, 42 USC 16901 et seq.), the Wyandotte Nation Constitution and this Act.

(b) The intent of this Act is to implement certain provisions of the federal Sex Offender Registration and Notification Act (SORNA) (Title I of Public Law 109-248, 42 USC 16901 et seq.). This Title and shall be interpreted liberally to comply with the terms and conditions of SORNA as presently written or hereafter amended.

(c) The Wyandotte Nation finds it to be in the best interest of all Nation citizens and those eligible for citizenship to clarify the procedures used by the Wyandotte Nation for Sex Offender registration and notification.

Section 103. NEED.

(a) Tribal nations are affected by violent crime and sex offenses from both Indian and non-Indian Perpetrators. Consequently, the conduct and presence of Convicted Sex Offenders in Indian Country threatens the political integrity, economic security, health and welfare of tribal nations.

(b) The Wyandotte Nation recognizes that sex offenders pose an ongoing risk for recidivism and may commit additional sex offenses even after being released from incarceration or commitment, and the protection of the public from sex offenders is of paramount tribal governmental interest. The territorial jurisdiction of the Wyandotte Nation will not be a place where convicted sex offenders can avoid accountability for their behavior. The Wyandotte Nation desires a mechanism to track sex offenders who may attempt to avoid detection and registration because of complex jurisdictional issues.

(c) The Wyandotte Nation recognizes that children are its most precious resource and that the children are the future of the Wyandotte Nation. It is the intent of the Wyandotte Nation to protect all Wyandotte Nation citizens by promoting community safety. By enacting the
Wyandotte Nation Sex Offender Registration and Notification Act, the Wyandotte Nation is taking steps to prevent the sexual abuse of children and other Wyandotte Nation citizens.

(d) Sex offender registration and the release of relevant information about sexual offenders to law enforcement, public/private entities and the general public will further the Wyandotte Nation interest of public safety and enhance strategies for crime detection and prevention.

Section 104. **CREATION OF SEX OFFENDER REGISTRATION OFFICE AND REGISTRIES.**

(a) Sex Offender Registration Office. This Act hereby establishes the Wyandotte Nation Sex Offender Registration Office within the Wyandotte Nation Tribal Police Department, which the Wyandotte Nation shall maintain and operate pursuant to the provisions of this Act, as amended. The Wyandotte Nation Sex Offender Registry Office is authorized to work cooperatively with necessary state, federal or tribal agencies in furtherance of this Title, and such activity does not and shall not waive any sovereign rights of the Wyandotte Tribe of Oklahoma, including sovereign immunity.

(b) Sex Offender Registry. This Act hereby establishes the Wyandotte Nation Tribe and Territory Sex Offender Registry System (TTORS), a public Sex Offender registration and notification system, which the Wyandotte Nation Sex Offender Registration Office shall maintain and operate pursuant to the provisions of this Act, as amended.
