	Comments or results:
5.	Name of Dentist Date of last dental exam
	Comments or results:
6.	Previous Illness
7.	Health Problems (frequent colds, allergies, etc.)
8.	Present Physical condition

Any child afflicted with a reportable contagious disease shall be excluded from attending all programs until such time as the period of communicability has elapsed as determined by a licensed physician or health department official. Field trips that are attended by the students of the Wyandotte Nation Education Programs are planned well in advance and have a special permission slip that you as parents or guardians will be asked to sign. A few times through the year we may encounter special events that come up at the public school or at a nearby location that we would like to participate in. This form is a blanket permission to transport your child (children) to such an event. All children will be transported in authorized vehicles that will be operated by insured and capable drivers.

I / we, hereby give my / our permission for the Wyandotte Nation Program to transport

\_\_\_\_\_\_ (child name) to Wyandotte Nation Education sponsored activities. Furthermore, I understand this action in no way possible places any liability on the Wyandotte Nation of Oklahoma.

Signature of parent/guardian
