I authorize the above expenses to be reimbursed from my Supplemental Healthcare Benefit Account. To the best of my knowledge, my statements on this Form are true and complete. I certify all the following: Either I or my Dependent has received the services described above on the dates indicated, or the expenses qualify as valid Medical Care Expenses under Code Section 213(d). I certify that all drugs were obtained legally in the United States. These expenses have not previously been submitted for reimbursement under the Plan. They have not been reimbursed under this Plan or any other plan, and I will not seek reimbursement for them under any other health plan. These expenses are for medical care excluding cosmetic purposes, are not incurred for general health purposes, and do not constitute toiletries. I understand that the expenses reimbursed may not be used to claim any federal income tax deduction or credit. I also understand that I may be asked to provide further details about some expenses (e.g. a statement from a medical practitioner that the expense is to treat a specific medical condition or a more detailed certification from me).
