**WYANDOTTE NATION ANNOUNCES AGREEMENT TO PURCHASE PEORIA RIDGE GOLF
COURSE**

MIAMI, Okla., July, 23 2026 – Wyandotte Nation announces they have entered into an agreement to purchase Peoria Ridge Golf Course in Miami, Oklahoma.

The acquisition represents a strategic expansion of the Tribe’s hospitality and entertainment offerings and reinforces its ongoing commitment to economic development and community investment in Northeast Oklahoma. Peoria Ridge Golf Course, located near Historic Route 66 and Interstate 44, has long served as a regional destination for golfers across Oklahoma, Arkansas and Missouri.

The new ownership team is committed to preserving—and elevating—the standards that have made the course a regional favorite.

“This investment reflects our continued focus on enhancing amenities for our guests while supporting recreation and tourism in our community,” said Chief Billy Friend. “We appreciate the Peoria Tribe’s vision and dedication in creating this outstanding golf course, and are excited to preserve and build upon the legacy for years to come.”

Additional updates regarding operations and memberships will be shared in the coming weeks.
